

## Patriot Update

Just a reminder, stalls are still available for the 2016 Patriot. Current total entries are 280 and growing each day. With \$11,500 in added money, this will be another high payout event from Mounted Shooters of America. As always, there are no office fees.

Please show that you support the only mounted shooting association that puts their member's interests first. We have been very clear that you can count on us to provide fair and transparent leadership, with the most bang you will ever get for your buck, for as long as you participate. Remember, this is the largest equestrian event in the United States and with exclusive access; our members are not required to attend qualifying events, like the ropers have. This is the only mounted shooting competition in the history of our sport to be filmed for a national television show. We have succeeded in providing you with the most significant events ever available to mounted shooters. If you want these opportunities to continue, you must support them. The future of your sport is in your hands.
