

## 2015 MOUNTED SHOOTERS OF AMERICA RECAP

We would like to thank everyone who attended the 2015 World Championships. We had a great group of people. We especially enjoyed the Saturday night barbeque dinner, where we officially introduced our new President, Robby Moudy. He was able to meet with members and club owners and is already hard at work reaching out across the country introduce our new jackpot system. Several people took part in our trial run D jackpot and saw first hand how this system provides more opportunity to win and continues to mean that the Mounted Shooters of America offers the highest payouts in the sport of mounted shooting. We think our members will be pleased that going forward they will not be taken advantage of by those who have corrupted the level system with move downs and the MSA will no longer have to police those who do not announce move ups in other organizations.

We wish to congratulate our Men's Overall and newest World Champion, Marcus Wadley and our Reserve Overall and Ladies Overall Champion, Tammy Scronce. They both showed why they are champions with some very fast and exciting runs. Receiving a Lever Action Rifle from Taylors and Co., a beautiful Trophy Cup and a check for \$1,000 for their charity, Filly Frillies, is our 2015 Club Cup winner, Wild West Mounted Shooters. We thank Becky Swanson and her club for their hard work and dedication. We also wish to welcome our latest inductees into the MSA Hall of Fame: Robby Moudy, Roy Cox, Theresa Cox and Andra Olson. They have all shown themselves to be strong MSA supporters and have gone above and beyond to help others to become successful mounted shooters. Finally, we congratulate Mitch Venem for winning the 2015 Brennan Scholarship of \$5,000.

The following is the list of winners from the 2015 World Championships, as well as the 2015 High Point winners for each division. Due to an oversight, two ladies saddles were awarded instead of one. Congratulations to Morgan Swanson who won the High Point Winner drawing for \$1,000. It brought tears to many that it went to such a deserving person and her supportive family.
